What was your greatest community impact in 2024?
Our most significant community impact has been implementing the Human Dignity Curriculum by the World Youth Alliance in local schools. This curriculum not only equips children with the tools to recognize dignity in themselves but also fosters a culture of understanding and support, especially in our current times of crisis. Today, when children face various pressures, from academic stress to social media, it is crucial to prioritize their mental health. The program focuses on the truth that all people are made in the image and likeness of God and have inherent human dignity. The Human Dignity Curriculum further explains and reinforces the pro-life message absent from public schools.

GOALS FOR 2025

- Expand our Counseling Program and the Human Dignity Curriculum in local Catholic Schools to foster emotional well-being and academic success.
- Expand our community garden, the Garden of Hope, to continue providing fresh produce in our local community.
