Part II: Faith & Family

Please tell us a little about your family.
Any unique added family responsibilities?

Prior to the event date, we will record a 60-second video that will be shown during the program. During the recording session, you will be asked the following question:

What inspires you or serves as your example to dedicate your time and talents to the Church, ministry, or organization? Is it a favorite saint, a parent, a friend, or perhaps a scripture passage or meaningful quote?

We strongly encourage you to take the time to write a script and practice!
